SELECTION PROCESS FOR HIGHLY COMPETITIVE PROGRAMS

Selection is based on an average of the four prerequisite senior level subjects (grades 11 or 12 or post-secondary) excluding co-op.

If subjects other than English are required for program entry, they will be used as part of the three other grades in the selection average if marks are available. If marks are not available for the prerequisite subject(s), you must currently be registered in the required subject(s) and your midterm marks must be submitted no later than February 1 for a fall start, October 1 for a winter start and February 1 for spring start. Marks for similar past courses will be substituted as follows:

- Grade 11 English substituted for Grade 12 English (C, M or U)
- Grade 11 mathematics substituted for Grade 12 mathematics
- Grade 11 biology substituted for Grade 12 biology
- Grade 11 chemistry substituted for Grade 12 chemistry or
- Grade 11 physics substituted for Grade 12 physics

If multiple subject credit marks are available, the highest mark will be used.

SELECTION PROCESS FOR ALL OTHER PROGRAMS

If subjects other than English are required for program entry, they will be used as part of the three other grades in the selection average if marks are available. If marks are not available for the prerequisite subject(s), you must currently be registered in the required subject(s). This will qualify to receive a “conditional offer”

Your Transcripts

Your transcripts are a record of your grades and help the colleges determine your eligibility for admission to college. If you have attended a secondary or postsecondary institution, you are required to provide this information in your application. If you don't see the institution you wish to request your transcript from here, please return to My Profile and make sure that institution is listed under Declared Education.

When requesting postsecondary transcripts, you will have the option of sending the transcripts now or at the end of the term. If you are currently attending that institution, requesting the transcripts to be sent at the end of the term will ensure that your final grades are sent. More information on transcript requests can be found on the [Transcripts page](#) of our website.
