

myBlueprint - Selecting Courses: Grade 10 Going into Grade 11

- Go to stmary.cdcsb.ca > Students > Launchpad Learning Portal Log In link. This will open a log in screen.
- Log in with your school email and password.
Ex: 123456789@dcliveca
- Click on the **myBlueprint** icon. 
- To view a video demonstration on how to select your courses copy the link below into your browser or view the student video directly from your myBlueprint account.
<https://myblueprint.ca/support/videos/course-selection/4DWTLIEHhGmo4wlqQasS6g>
- Once you've clicked on the **myBlueprint** icon, you must click on the green School Account Log in button
- To enter your course selection for next year, select **High School** from the list of options on the left side of the screen.
- Your next school year will be highlighted. You can change your selections as many times as you like until you select the Submit button. If you make an error you wish to correct after you've submitted, you must see a counsellor to unlock your planner.
- To select a compulsory course, click on **subject (English, Math, etc)** in the course box. All of the course options for that subject will appear. If you click on the course name, the course description will appear. To select the course, click on the **Add Course** button. You will then return to the High School Plan Grid. You may also consider narrowing your search by selecting the Grade and/or Discipline in the Filter section (ie., Grade 11) and only the courses in that subject and grade will appear.
- In Grade 11, **the following 3 courses are compulsory: Religion, English, and Math.** If a student did not successfully complete an Arts credit in Grade 9 or 10, they should do so in Grade 11.
- French Immersion students are required to take Religion in French (HRT3MF) and French (FIF3UF).**
- Continue to add until you have selected all your compulsory courses.
- If you choose a course in error, click on the right side of the course and select **Edit, Change** or **Delete**.

To choose an **elective course** click on **Course** located within the course box.

- In Grade 11, students will select **5** elective courses,
- From the **Filters** section select **Grade** and choose Grade 11, then select **Discipline**
- Options can be found under several discipline areas like **Arts, Business** and **Technology, Canada World Studies, Social Sciences, Co-Operative Education**
- If students choose Co-Op (COP20/40), they must complete an application form** which can be found on the student's course planner under "Course Selection Resources"
- If you choose a course in error, click on the right side of the course and select **Edit, Change** or **Delete**

All students must ALSO select one **alternate course**.

PLEASE NOTE: In case an elective course does not fit in your schedule for next year, **an alternate course will be used without notice**. Steps for choosing alternates are the same as those for choosing electives. Review the process and repeat.

- A **Blue Box** indicates an Advisor note. Hold the mouse over the blue symbol and the note will appear. A **Red Box** indicates that there's a course restriction. Hold the mouse over the red symbol and the restriction will appear.
- Once all courses and alternate have been selected, click **Review Course Selections** button. Check to ensure that you have the proper pre-requisites and have met the recommended grade for certain courses. **You will not be allowed to submit your courses if there are errors or pre-requisites missing. Fix the errors! See your counsellor well in advance!**
- Review your course selections. If you are planning on taking a summer school course, please indicate this in the "Comments" section prior to submitting your courses. Please indicate the following:
 - Which course you are planning to take in Summer School

*Student's alternate will be used in place of the summer course (if applicable)

***Students do not need to feel the pressure of fast-tracking and getting ahead.** The high school program as it is laid out for four years will give you every opportunity to complete all requirements as well as earn two spares in Grade 12.

- If you are satisfied with your choices, click **Submit Course Selections** button. Once you've submitted your courses, you must send your parent/guardian an email so that they can electronically approve your selections. Click **Send Approval Email** and follow the prompts.

Send Approval Email 

- Print a copy** of your Course Selection form to be reviewed by Guidance. To print a copy, click **Printer icon** button.
