

Pathways/Programs for Workplace Level Students at Ontario Colleges - 2019

The following is a centralized list of pathways and or programs available for students graduating from high school with Workplace Level credits. Please refer to the College website or contact the college for verification of program options.

Algonquin College

Applicants taking Workplace courses have to write an admission assessment. Each student is assessed on an individual basis. However, new program options are in the works.

College Boreal

Academic upgrading through ACE, admission may be given to the General Arts and Science program.

Cambrian College

Applicants with workplace-level English can apply to the Pre-Trades/Technology program (PRET), Independent Music Production program (MPCP), or pursue Academic Upgrading (UPGR).

Canador College

Academic and Career Entrance Program (ACE) Literacy and Basic Skills (LBS).

Centennial College

Students with Grade 12 Workplace English may apply to: Auto Body Repair Techniques, Food Service Worker, Hospitality Foundations, Motorcycle and Power Sports Product Repair Techniques, and Trades Foundations – Motive Power.

Conestoga College

Conestoga offers numerous programs that require an OSSD or equivalent with no specific course requirements. These include: Business Fundamentals, Food Service Worker, Bartending, Bookkeeping, Construction Techniques (multi trade), Brick & Stone Fundamentals and Community Integration through Co-operative Education.

Confederation College

Students with workplace level credits or no high school diploma/ equivalency are eligible to apply for: Academic and Career Entrance (ACE), Personal and Career Development (PCD), Literacy Based Skills (LBS), Academic Upgrading, Mature Student Assessment, 1 Year College Access Certificate, 1 Year General Arts and Science Certificate and the 2 Year General Arts and Science Diploma. Following successful completion, many of these pathways enable students to continue their studies in additional full time programs. www.confederationcollege.ca/preparatory-programs

Durham College

Academic Upgrading and ACE courses are available through the college:

<https://durhamcollege.ca/programs-and-courses/academic-upgrading-college-preparation>

<https://durhamcollege.ca/academic-schools/school-of-continuing-education/programs-and-courses/academic-career-entrance-ace-program>

Fanshawe College

Applicants taking workplace level courses are assessed on a case-by-case basis and should contact an Admissions and Pathways Advisor at advising@fanshawec.ca or www.fanshawec.ca/advising/booknow

Fleming College

Blasting Techniques, Carpentry Renovation Techniques, Carpentry Renovation Technician, Esthetician, Heavy Equipment Operator, Outdoor Adventure Skills, Outdoor and Adventure Education, Personal Support Worker, Mechanical Techniques-Plumbing, Trades Fundamentals, Welding Techniques, Welding and Fabrication Technician (note: OLC 40 meets the English requirement)

George Brown

College Vocational program (A101) accepts students from “Workplace” programs. Learn more about School of Work and College Preparation programs at georgebrown.ca/preparation/programs.

Georgian College

Workplace credits may be considered as part of an application to the Community Integration through Co-operative Education (CICE) program. Applicants who have workplace levels in required courses will be counselled to pursue academic upgrading through the Academic and Career Preparation program.

Humber

Applicants who have workplace level courses are encouraged to consider Humber’s Academic Upgrading program. For information about this program visit <https://liberalarts.humber.ca/programs/academic-upgrading>. Applicants who are 19 years of age or older and have not completed the Ontario High School Diploma (or equivalent) will be invited to write a mature student admission assessment. The assessment results will be used to determine eligibility of the program(s).

La Cite
