APPRENTICESHIP: FREQUENTLY ASKED QUESTIONS

- When does an apprenticeship start?
- How do I become an apprentice?
- Are there course requirements for an apprenticeship?

In Canada, a **compulsory trade** is a skilled trade that requires government certification of those engaged in the trade. In general, a formal training program such as an apprenticeship is required, and a practitioner must be certified as a journeyperson prior to licensure.

Voluntary Trade: A trade in which certification and College membership are not legally required to practice the trade.
