## SUMMER SCHOOL Credit Recovery Registration Instructions

### 2020 SUMMER SCHOOL Registration Process for Students Attending a Durham Catholic Secondary School

1. Students are to fill out the attached Summer School course selection form with the assistance and approval of their home school Guidance Counsellor.
2. Completed forms must be signed by a student's parent or guardian and returned to Guidance for processing and enrollment. **You will not be registered until you return this form to your Guidance Counsellor.** Guidance staff will then cross-enroll student into course selection.
3. Students who have not registered before July 2 will not be allowed to attend summer school without their school's approval. (Guidance Counsellor approval is mandatory. You WILL NOT be registered for summer school without a Guidance Counsellor's approval.)

In order to take a credit recovery course, students must have taken the same course and level within the previous two school years prior to summer school and have achieved a mark between 35% and 49% to be eligible to register for a credit recovery course.

- **For Summer 2020, students are eligible to take an upgrading course if they have already completed the course and passed. Students may upgrade a course in a credit recovery (55 hour, 2 week) class.**

- Students need a computer and internet access to take an online course.
- Students working online will be expected to adhere to the standard rules of academic integrity and follow the Code of Conduct as is expected in the face-to-face classroom.
- Students taking an online course will be expected to log-in on a daily basis and meet all deadlines.
- Once students are registered and enrolled into the online environment, they will be able to access their courses:
