Students will access eLearning courses via stmary.dcdsb.ca > Students > LaunchPad Learning Portal Login. Detailed instructions will be distributed at the beginning of the semester by Guidance.

All students registering for an eLearning credit must be a full-time student at their home school. Students may only take 1 eLearning course per semester.

Please note that an eLearning course requires as many hours as a regular in-school course. Therefore, you should be spending 75 minutes (plus homework/study time) each day on your eLearning course. eLearning courses are timetabled as "spare" periods within the school day for students to work independently online. Attendance is taken daily via logging in to d2L.
